

Danish Association of Energy Economics | DAEE

**Inaugural Event in collaboration with the Danish Utility Regulator
November 8th, 2024 from 14.00-16.00**

**Venue: Copenhagen Business School (CBS), Kilevej 14A (Building: The
Wedge), 2000 Frederiksberg, Meeting Room KS 54 (Ground Floor)**

Dear Members,

The Danish Association of Energy Economics (Dansk Energiøkonomisk selskab) would like to invite you to the association's first **event in 2024 on November 8th, 2024, from 14.00-16.00 hosted at Copenhagen Business School**, Building The Wedge (KILEN), Kilevej 4A, Ground Floor, Room KS54.

The event takes place in cooperation with the Danish Utility Regulator (Forsyningstilsynet), which has published the second volume of its anthology on improving regulation in the utility sector this year. At this event, the regulator will begin by introducing the chapters and key findings. Following this, a contributor to the anthology will present their insights.

More info on the anthology can be found here:

We look forward to seeing you at the event.

Warm regards

Frederik
